## Enabling or Disabling SMS notifications

Note: the options in your new menu, may be different than what is shown in the images shown in this guide.

Log into JobsCayman and choose the update person profile option

Scroll down to the Address and Contact section to view the “Would you like to receive SMS notifications?” checkbox as shown in the image below. Once you have updated your SMS notification setting, click the submit button to save the change.

A screenshot of the 'Address and Contact Information' form in the JobsCayman system. The form includes fields for 'Cayman Resident' (radio buttons for Yes/No), 'Country', 'Physical Address', 'Email Address', 'PO Box', 'Contact Number' (with a dropdown for '+1345'), 'District' (with a dropdown for 'West Bay'), and 'Postal Code'. The checkbox labeled 'Would you like to receive SMS notifications?' is highlighted with a red rectangular box.

### Important notes about this feature:

By checking this box, you are agreeing to receive SMS messages from the JobsCayman system. These notifications will continue to be sent via email also. These SMS messages will be sent at no cost to the receiver. You can choose to update this setting at any time either turning it on or off, allowing you to opt in and out of this feature.
